Review and Approve April 12 Minutes:

Yes: 8

Abstain: 1

No: 0

RE UP Resource Guide: Discussion

The student group RE UP is working on a resource guide for the MUP curriculum. The purpose of this is to help introduce more racial literacy and cultural competency into the current curriculum. They will be reviewing what other planning departments are doing and look into how our department and our students can benefit from more racial literacy and cultural competency.

RE UP is asking to meet with the faculty either individually or as a group sometime over the next few weeks

Will gender be addressed? Such as incorporating more feminism ideology etc.?

Real Estate Discussion and Vote:

All five candidates for the Assistant Professor in Real Estate position were discussed and voted upon. Because this was a closed meeting, the minutes from the discussion are not public.
