Vote on October 30 minutes

Bob move Sofia second

7 yes 1 abstention 0 no

Intro and Welcome to Jenelle Clark!

Curriculum Updates:

All three groups met and are sharing rough ideas from their meetings. Official proposals and draft syllabus are expected from each group by the end of the quarter

History/Theory/Ethics and Form: Branden

This group is trying to develop a 3 quarter linked series of courses that will serve as the foundation of the MUP curriculum. They are struggling with their task.

Methods: Covering Quantitative, Qualitative, Research Design and Analysis, and GIS: Manish

This group has developed a 3-quarter sequence and seems to be on track but is also waiting for some decisions from the HTEF group.

Applied Practice: Jan

Focusing on intro to the profession as practice and intro to Planning in the NW, including some discussion of Big Ideas in planning. This is the smallest group but its task is fairly straightforward.

Capstone/Thesis

Overall idea is to get rid of thesis/capstone...what are the options if we get rid of thesis/capstone?

Diversity plan should also be integrated into syllabi as well as curriculum group moving forward
