

Kadie Bell Sata, AICP

EMPLOYER / Seattle Department of Transportation

PLANNING FOCUS / Equitable Green Communities

MOST INTERESTING JOB AS A PLANNER / Planning Grant Manager at Public Health – Seattle & King County

WHY I CHOSE PLANNING AS A PROFESSION / I wanted a career that enabled me to work on the ground to advance climate justice.

EDUCATION / University of Washington MUP, MPA '08

YEARS PLANNING / 15

PAST WORK EXPERIENCE / Public Sector – City of Seattle, King County, City of New York. Private Sector – EnviroIssues, EcoNorthwest. Non-Profit Sector – Low Income Housing Institute, Brooklyn Greenway Initiative

David Blum, AICP

EMPLOYER / Montgomery Gulf Corporation

PLANNING FOCUS / Transit Oriented Development, Real Estate Development

MOST INTERESTING PROJECT AS A PLANNER /
Northgate Transit Oriented Development Project

EDUCATION / UW, MUP ('76); The Wharton School, University of Pennsylvania, BS in Economics ('74)

YEARS PLANNING / 39

WHY I PURSUED PLANNING AS A PROFESSION / As a person interested in the built environment and land use, I found planning to be a good place to work in a variety of interesting settings.

PAST WORK EXPERIENCE / Nonprofit sector in affordable housing; Native American tribe in economic development

Steve Butler, FAICP

EMPLOYER / MRSC (Municipal Research & Services Center)

PLANNING FOCUS / Comprehensive and subarea planning, innovative implementation techniques (both regulatory and non-regulatory), urban design, and public engagement

MOST INTERESTING PROJECT AS A PLANNER / Station area planning for two LRT stations in SeaTac; City of SeaTac/Sea-Tac Airport Interlocal Agreement; Cape Elizabeth (ME) Greenbelt Plan

EDUCATION / University of Wisconsin (Madison), MS in Urban & Regional Planning; St. Lawrence University (Canton, NY), BA in Sociology

YEARS PLANNING / 30+

WHY I PURSUED PLANNING AS A PROFESSION /

Combines a lot of my interests – improving the built environment, urban design, and public engagement; Had a great undergraduate professor who got me interested in the field.

PAST WORK EXPERIENCE / City of Milwaukie, OR; City of Mill Creek; City of SeaTac; plus public and private sector planning in Maine and Wisconsin

Michael Chen

EMPLOYER / Mackenzie

PLANNING FOCUS / Current Planning, Development and Entitlement

MOST INTERESTING PROJECT AS A PLANNER /

Reviewing and permitting the Redmond Ridge and Trilogy at Redmond Ridge UPD's. Being able to travel to different states along the west coast to entitle projects.

EDUCATION / Western Washington University, BA Environmental Planning & Policy (1998), University of Washington, Certificate in Commercial Real Estate (2013-2014)

YEARS PLANNING / 21

WHY I PURSUED PLANNING AS A PROFESSION /

To help shape communities and be involved in a wide variety of development.

PAST WORK EXPERIENCE / City of Mercer Island, King County DPER (DDES), Core Design Inc., Centre Pointe Consultants.

Richard Conlin

EMPLOYER / Conlin Columbia

PLANNING FOCUS / Affordable Housing; Sustainable Development; Food Policy; Resilience/Emergency Management; Community/Neighborhood Planning; Local Government; Policy Development/Implementation

MOST INTERESTING PROJECT AS A PLANNER / Stewarding 37 Neighborhood Plans to adoption and implementation; writing Food Policy Plans for Tacoma, Auburn, Seattle, and Riverside, CA

EDUCATION / MA Poli Sci; BA History

YEARS PLANNING / Depends on how broadly you define planning... up to 46

WHY I PURSUED PLANNING AS A PROFESSION / My passion and profession is community/sustainable development

PAST WORK EXPERIENCE / Seattle City Council; Publisher, YES! Magazine; Director, Community and Environment Department, Metrocenter YMCA; developer, consultant, and adjunct faculty; Ingham County, MI, Board of Commissioners

Sara Cubillos

EMPLOYER / Seattle Public Utilities – Strategic Advisor in the Drainage & Wastewater Division; Emerging Leader – Capitol Hill Housing PDA Board
Seattle Office of Planning and Community Development

PLANNING FOCUS / Environmental Justice, Movement building, equitable engagement, creative facilitation, infrastructure investments

MOST INTERESTING PROJECT AS A PLANNER / Equity & Environment Initiative

EDUCATION / UW MUP – Real Estate specialization & Historic Preservation Certificate, Seattle U BA in Public Administration

YEARS PLANNING / 5 years

WHY I PURSUED PLANNING AS A PROFESSION / Creating visibility of invisible systems like infrastructure

PAST WORK EXPERIENCE / Office of Sustainability & Environment – Equity & Environment Program Coordinator, SPU – Environmental Justice & Service Equity Intern

Brandon Cummings

EMPLOYER / City of Seattle Dept. of Construction & Inspections

PLANNING FOCUS / Urban Design + Current Planning

MOST INTERESTING PROJECT AS A PLANNER /
Northgate Mall Redevelopment
Grand Street Commons

WHY I CHOSE PLANNING AS A PROFESSION /
To influence the built environment on a large scale and improve the lives of the people that make up our communities through sound planning and urban design.

EDUCATION /
Auburn University- MCP ('14)
Georgia Institute of Technology- BS in Architecture ('10)

YEARS PLANNING / 7

PAST WORK EXPERIENCE /
Long Range Planning, *San Bernardino County (2014-2016)*
Strategy and Implementation, *Maryland National Capitol Park and Planning Commission (2013)*

Marty Curry, AICP

EMPLOYER / UW, Urban Design & Planning Affiliate Faculty; Curry Consulting

PLANNING FOCUS / Community planning, civic engagement, infrastructure planning, sustainability

MOST INTERESTING PROJECT AS A PLANNER /
Community visioning projects (e.g. Lake City); achieving community- city (and often student) partnerships

EDUCATION / UW, MUP; Indiana University, BA in Spanish and Political Science

YEARS PLANNING / 30+

WHY I PURSUED PLANNING AS A PROFESSION /
I strongly believe that planning, politics, and people are integral to creating a more balanced, sustainable community (The 3 P's of planning).

PAST WORK EXPERIENCE / City of Seattle, Planning Commission Director; consulting with non-profits, foundations and local government; and of course teaching

Minnie Dhaliwal

EMPLOYER / City of Tukwila

PLANNING FOCUS / Land use-current and long-range planning; urban design; community engagement.

MOST INTERESTING JOB AS A PLANNER / My favorite part of all the wide variety of projects I have worked on is the community engagement. Establishing a community connectors program to reach to diverse community members as part of the comprehensive planning update process was very interesting.

WHY I CHOSE PLANNING AS A PROFESSION / I grew up in Chandigarh, a master planned city by Le Corbusier; was intrigued by cities in general particularly the difference between traditional Indian cities and my hometown.

EDUCATION / B. Arch- India (87-92); Master of Urban Planning UW (94-97)

YEARS PLANNING / 25

PAST WORK EXPERIENCE / Planning Manager, City of Tukwila (2007-present); Senior Planner, City of Tukwila (2000-2007); Associate Planner, City of Federal Way (1996-2000)

Nancy Eklund, AICP

EMPLOYER / City of Tukwila, Community Development Department.

PLANNING FOCUS / Comprehensive and Current planning, health and the built environment.

MOST INTERESTING PROJECT AS A PLANNER / Too many to say – the ones that are the most fun are the thorny ones that generate strong opinions

EDUCATION / UW Masters Program (near-MUP), Macalester College, St. Paul, MN, BA in Geography

YEARS PLANNING / 25+

WHY I PURSUED PLANNING AS A PROFESSION / I was a geography major and always loved knowing why people live where they do – what was special about those places. I wanted to be part of shaping those decisions.

PAST WORK EXPERIENCE / The City of Puyallup; several private consulting gigs; Washington and Montana local government

Nicole Faghin, MCP, JD, LEEP AP

EMPLOYER / Washington Sea Grant

PLANNING FOCUS / Shoreline and Coastal Management

MOST INTERESTING PROJECT AS A PLANNER /

How do we address sea level rise as planners? What is the intersection between erosion and sea level rise and actions to take?

EDUCATION / MIT, MCP ('86); Northeastern School of Law – JD ('87); UW, BA in Political Science ('81)

YEARS PLANNING / 25+

WHY I PURSUED PLANNING AS A PROFESSION /

I was interested in human interface with the environment and over the years that became human/built interface with the marine/shoreline environment.

PAST WORK EXPERIENCE / Reid Middleton (18 years); AECOM (1.5 years); 3 years in law (way back at the beginning...)

Lauren Flemister

EMPLOYER / City of Seattle

PLANNING FOCUS / Spatial Planning-Urban Design, Housing, Transit-Oriented Development

MOST INTERESTING PROJECT AS A PLANNER / UN Global Report on Human Settlements, ST3 Station Area Planning

EDUCATION / Masters of Architecture, Masters of Urban Planning, and Masters of Public Affairs from the University of Texas at Austin, Bachelor of Arts in Architecture from Princeton University.

YEARS PLANNING / 10

WHY I PURSUED PLANNING AS A PROFESSION / Impacting outcomes for individuals and community through housing and other development

PAST WORK EXPERIENCE / HO+K, United Nations-Habitat, City of Austin, the Environmental Defense Fund, City of Auburn, City of Tacoma

Ted Gage, AICP

EMPLOYER / Planning consultant
Community comprehensive planning, tourism

PLANNING FOCUS / Development, tribal planning, interagency coordination.

MOST INTERESTING PROJECT AS A PLANNER / Training elected and appointed officials statewide during the years in which I managed the state's Short Course on Local Planning for the Department of Commerce.

EDUCATION / UW, PhD ('83); UW, MUP ('81); Middlebury College, BA ('69)

YEARS PLANNING / 35+

WHY I PURSUED PLANNING AS A PROFESSION /
Always interested in the dynamics of community development.

PAST WORK EXPERIENCE / Washington State Department of Commerce; Clallam County EDC; Samish Indian Nation; Shoalwater Bay Indian Tribe; Eldred & Associates.

Amy Gore

EMPLOYER / Seattle City Council, Legislative Analyst

PLANNING FOCUS / Land Use, Transportation, Housing

MOST INTERESTING PROJECT AS A PLANNER / Implementing inclusionary zoning in Seattle

EDUCATION / MCRP from Georgia Tech, BBA from Emory University

YEARS PLANNING / 15

WHY I PURSUED PLANNING AS A PROFESSION / Opportunity to create places that better support people.

PAST WORK EXPERIENCE / Advisory consulting; advocacy for environmental non-profit

Lisa Grueter, AICP

EMPLOYER / BERK Consulting, Inc.

PLANNING FOCUS / Comprehensive Planning, Environmental Planning, Capital & System Planning

MOST INTERESTING PROJECT AS A PLANNER / I like them all! If I had to choose ... county-city planning efforts and plan implementation strategies.

EDUCATION / Master of City Planning, Berkeley; BA Social Ecology, UC Irvine

YEARS PLANNING / 30

WHY I PURSUED PLANNING AS A PROFESSION / Interest in affordable housing and environmental conservation. Started as a kid with summer school class called “the City”.

PAST WORK EXPERIENCE / ICF Jones & Stokes, City of Renton, City of Sumner, Private Practice in California

Katy Haima

EMPLOYER / City of Seattle Office of Planning & Community Development

PLANNING FOCUS / Community planning, urban design

MOST INTERESTING JOB AS A PLANNER / What I'm currently working on!

WHY I CHOSE PLANNING AS A PROFESSION / To help shape sustainable urban development that fosters healthy, resilient communities

EDUCATION / University of Washington – MUP
University of Wisconsin-Madison – BS Landscape Architecture & Certificate in Environmental Studies

YEARS PLANNING / 6

PAST WORK EXPERIENCE /
Staff Analyst, Seattle Planning Commission; Design Review Planner, City of Seattle Department of Construction & Inspections; Community planner, City of Langley, WA; Various landscape design/build firms; Small business owner/operator

Steve Hamai

EMPLOYER / Seattle Public Utilities

PLANNING FOCUS / Comprehensive Utility Planning, Resiliency, Affordability, Community Engagement, Service Equity

MOST INTERESTING PROJECT AS A PLANNER / Led an effort to build a new operational model to embed race, social justice, and service equity into the fabric of Seattle Public Utilities.

EDUCATION / San Francisco State University, BA Urban Studies

YEARS PLANNING / 20+

WHY I PURSUED PLANNING AS A PROFESSION / Having spent many years in non profit direct services and community organizing, decided that I needed to apply my learning and skills within government to address systemic disparities with a racial equity lens.

PAST WORK EXPERIENCE / Founder and Executive Director, SafeFutures Youth Center; Program Director, Seattle Youth Employment Program; Senior Planner, Human Services Department; Program Director, East Bay Asian Youth Center

A portrait of Cristina Haworth, a woman with short brown hair and bangs, wearing a bright blue blazer over a white lace-trimmed top. She is standing with her arms crossed, looking slightly to the side with a gentle smile. The background is a blurred crowd of people in a stadium or arena.

Cristina Haworth, AICP

EMPLOYER / Otak, Inc., Senior Planner/Project Manager

PLANNING FOCUS / Land use planning

MOST INTERESTING PROJECT AS A PLANNER /
Metro South Base expansion

EDUCATION / University of Pennsylvania, Master of City Planning;
University of Washington, BA Community, Environment, and Planning

YEARS PLANNING / 7

WHY I PURSUED PLANNING AS A PROFESSION /

Planning fits with my interest in problem-solving and serving the public good. I'm really drawn to resilience planning, especially as we consider climate change, sea level rise, and the dramatic effects these will have on our communities.

PAST WORK EXPERIENCE / Fairbanks North Star Borough, 2013-2014;
Philadelphia City Planning Commission, 2011-2013

Kellye Hilde, ASLA

EMPLOYER / City of Sammamish

PLANNING FOCUS / Long-Range Planning, Urban Design, and Community Engagement.

MOST INTERESTING JOB AS A PLANNER / Urban Forest Management Plan, Housing Strategies, and Comprehensive and Sub-Area Planning.

WHY I CHOSE PLANNING AS A PROFESSION / An opportunity to work with citizen groups to create a vision with supporting goals, policies and regulations that foster vibrant, sustainable, and healthy communities.

EDUCATION / Washington State University, BLA Landscape Architecture

YEARS PLANNING / 4

PAST WORK EXPERIENCE / City of Sammamish Community Development Deputy Director (Present), Community Development Planning Manager (2017-2020), Parks Project Manager (2009-2017), Project Landscape Architect, Triad Associates (2003-2009)

Jae Hill, AICP CFM

EMPLOYERS / King County Utilities Technical Review Committee & Evermost LLC

PLANNING FOCUS / Strategic Planning

MOST INTERESTING JOB AS A PLANNER / Planning Director in Sun Valley, Idaho

WHY I CHOSE PLANNING AS A PROFESSION / I'm passionate about climate change and affordable housing

EDUCATION / Master of Urban & Regional Planning, Cal Poly Pomona; Master of Business Administration, University of Nevada-Reno

YEARS PLANNING / 16

PAST WORK EXPERIENCE / Deputy Planning Director, Fairbanks AK; Long-Range Planning Manager, Redmond WA, Associate Planner, Sierra Madre CA; Hydrogeologic Engineer, Pasadena CA

Sandy Howard, AICP, LEED AP

EMPLOYER / Retired from City of Seattle, Construction and Inspections

PLANNING FOCUS / Green building sustainability, & preservation, new urbanism, equity in planning, and community resilience

MOST INTERESTING PROJECT AS A PLANNER /
Old Poway Specific Plan

EDUCATION / Masters in City Planning

YEARS PLANNING / 25+

WHY I PURSUED PLANNING AS A PROFESSION / After living 3 years in Germany, wanted to learn how cities work successfully and apply that knowledge to US urban centers.

PAST WORK EXPERIENCE / Sustainable Strategist; Land Use Manager; Land Use Planner; Historic Preservation Planning; Biomedical Research

Paul Inghram, FAICP

EMPLOYER / Puget Sound Regional Council

PLANNING FOCUS / Regional planning

MOST INTERESTING PROJECT AS A PLANNER /

Vision 2050; BelRed TOD subarea plan; Skykomish restoration plan

EDUCATION / UW, BA in Design and Planning ('93); Seattle U, MBA ('04); UVA ('12)

YEARS PLANNING / 20+

WHY I PURSUED PLANNING AS A PROFESSION /

Initially, loved the design problem, then was turned on community engagement.

PAST WORK EXPERIENCE / PSRC since 2016, City of Bellevue; previously consultant to various Puget Sound communities; some private development

Arun Jain, FAICP

EMPLOYER/ City of Bellevue (Chief Urban Designer), various international advisory roles

FOCUS/ Urban design & strategies for urban environments. Urban development & community building through adaptive design & planning innovation. Decision support tools, methods & means to cope with complexity & uncertainty. Currently authoring a book on such concerns.

MOST INTERESTING PROJECTS/ Advisory role to create 70,000 new homes (12 new neighborhoods) in Amsterdam, Strategic Planning Advisor for the Indian State of Karnataka (pop. 64 mil.), Advisor for SDG 11, Expert Policy Advisor for UN Habitat III (New Urban Agenda adopted Quito, 2016), & UNODC. National Resource Management & Development Plan for the Republic of Palau, Micronesia. Speaking in South Africa. Board ARUS (Advanced Research in Urban Systems), University of Duisburg-Essen, Germany.

EDUCATION/ MCP, MArch, (Urban Design Joint Degree Program) 1985, University of Pennsylvania. Urban Studies & Transportation Engineering 1983, University of Delaware. BArch (Honors), Architecture 1981, School of Planning and Architecture, New Delhi, India.

YEARS IN PRACTICE/ 35

WHY I PURSUED THIS PROFESSION/ To improve the quality of urban life for all, find beauty in chaos, and to understand complexity in the natural and man-made environment from the lens of cognition & behavior.

WORK EXPERIENCE/ International consultant, Lead UN Expert, city executive (Chief Urban Designer, Portland), advisor, researcher & mentor. Academic positions at six universities (most recent: Guest Professor, Technical University of Berlin). Past Board Director IFHP (International Federation of Housing & Planning). Professional activities in over 43 countries & 100 + cities. International speaker with published works in print and digital media.

Mike Kattermann, AICP

EMPLOYER / City of Bothell

PLANNING FOCUS / community development, growth management, regional policy

MOST INTERESTING PROJECT AS A PLANNER /

Creating neighborhood enhancement program; light rail best practices

EDUCATION / MS Community & Regional Planning, University of Texas at Austin; BS Urban Planning, Michigan State University

YEARS PLANNING / 30+

WHY I PURSUED PLANNING AS A PROFESSION /

Interest in cities as organic systems and how to influence that to improve peoples' lives; variety of issues and challenges

PAST WORK EXPERIENCE / Public and private sector, mostly municipal and long range, entry-level to director; MI, TX, AZ, WA

Rick Krochalis, AICP

PLANNING FOCUS / Land Use Planning, Demographics, GIS

MOST INTERESTING PROJECT AS A PLANNER /
Launching Bellevue's Open Data portal

EDUCATION / University of Washington, MUP('05); Western Washington University, BS in Environment Science ('03), Principia College, BA in English ('89)

YEARS PLANNING / 18

WHY I PURSUED PLANNING AS A PROFESSION / To reinstate participatory democracy, save our planet and help foster vibrant, caring communities.

PAST WORK EXPERIENCE / AHBL, City of Buckley, WA, Whatcom Transportation Authority

Katie Sheehy

EMPLOYER / Seattle Office of Planning and Community Development

PLANNING FOCUS / Equitable Development, Race and Social Justice

MOST INTERESTING PROJECT AS A PLANNER / Seattle Transit Communities, Equitable Development Initiative

EDUCATION / UW, MPA & MUP (2005); University of Portland BA in Philosophy

YEARS PLANNING / 10+

WHY I PURSUED PLANNING AS A PROFESSION / Help improve government policy to better serve our communities and create a more equitable and sustainable society

PAST WORK EXPERIENCE / Seattle Planning Commission, Seattle, WA; Hewitt Architects, Seattle, WA; Alaska Department of Natural Resources, Anchorage, AK

Janet Shull, AICP CUD

EMPLOYER / City of Seattle, Office of Planning and Community Development

PLANNING FOCUS / Urban design, community planning, sustainability, economic development and master planning

MOST INTERESTING PROJECT AS A PLANNER / Cities Putting Prevention to Work (CPPW) grant-funded planning for active and healthy communities in Federal Way, WA - including development of city's first Bike/Ped master plan and urban agriculture policies

EDUCATION / University of Washington BA in Architecture; University of Washington graduate studies in Architecture and Urban Planning

YEARS PLANNING / 29

WHY I PURSUED PLANNING AS A PROFESSION / I was most interested in how design of the built environment can help make places people love

PAST WORK EXPERIENCE / Senior Planner, City of Federal Way; Principal, Janet Shull Design; Project Manager, BWR; Planner, City of Kent.

Jessa Timmer

EMPLOYER / Alliance for Pioneer Square, Deputy Director

PLANNING FOCUS / Community and Economic Development, Business Districts, Policy

MOST INTERESTING PROJECT AS A PLANNER / Crafted city policy on Business Improvement Areas for Grand Rapids, MI, and created first BIA within city

EDUCATION / Master's of Public Administration, Urban and Regional Policy and Planning, Grand Valley State University (2012); BA in Public and Nonprofit Administration, Community Development, Grand Valley State University (2009)

YEARS PLANNING / 10+ years

WHY I PURSUED PLANNING AS A PROFESSION / I chose this profession because I appreciate how diverse the work can be and I love working directly with community members to create the change they want to see for their community.

PAST WORK EXPERIENCE / Real Estate Senior Project Manager, Forterra; Executive Director, Chinatown-ID BIA; Analyst, Michigan Main Street Center; Economic Development Specialist, Neighborhood Ventures

Crystal Torres

EMPLOYER / City of Seattle Department of Construction and Inspections (SDCI)

PLANNING FOCUS / Urban Design and Current Planning

MOST INTERESTING JOB AS A PLANNER / Projects with public amenities such as through-block connections and park spaces have been the most rewarding. Some of these projects include Center Steps (across from the Seattle Center), the new Yesler Terrace tower project, and the University District's Safeway block which includes a new tower, redevelopment of the grocery into a mixed-use development, and public open space.

WHY I CHOSE PLANNING AS A PROFESSION / I have always been a nerd for design, art, and contemplating the human experience; urban planning wraps all of these and much more into one field.

EDUCATION / UF, MUP 2011; UF BA Science in Sustainability and the Built Environment

YEARS PLANNING / 10

PAST WORK EXPERIENCE / Planner for the City of Hollywood Florida; Land Use Planner McKenzie (Seattle)

Valerie Tran

EMPLOYER / Friends of Little Saigon

PLANNING FOCUS / Community & Economic Development

MOST INTERESTING JOB AS A PLANNER / Neighborhood planning in the International District.

WHY I CHOSE PLANNING AS A PROFESSION / The history of places fascinates me, and I am interested in the ways that cities and the environment affect our health.

EDUCATION / UC Berkeley, BA Public Health (2010)
University of Michigan, MPH Health Management & Policy; MUP
Environmental Planning & Land Use (2015)

YEARS PLANNING / 10 yrs in public health & environmental health, including 5 yrs focused on city planning

PAST WORK EXPERIENCE / BDS Planning & Urban Design; InterIm
Community Development Association; HealthxDesign; Centers for
Disease Control & Prevention

Liz Underwood-Bultmann, AICP

EMPLOYER / Puget Sound Regional Council

PLANNING FOCUS / Regional planning, growth management

MOST INTERESTING JOB AS A PLANNER / Developing VISION 2050, the region's long-range plan

WHY I CHOSE PLANNING AS A PROFESSION / Interest in how cities function, navigating competing values and priorities. Also, I love the bus! [=o==o]

EDUCATION / University of Washington – Geography (MA), University of Minnesota – Geography and English (BA)

YEARS PLANNING / 10

PAST WORK EXPERIENCE / City of Saint Paul, MN

Stephanie Velasco

EMPLOYER / City of Seattle Office of Housing

PLANNING FOCUS / Affordable housing, equitable development, engaging young people and BIPOC communities in planning

MOST INTERESTING JOB AS A PLANNER / Teaching planning summer camps for middle school and high school students

WHY I CHOSE PLANNING AS A PROFESSION / I came to planning by way of community organizing, and I see planning as a very concrete way to address and correct the institutionally racist policies that have shaped our cities.

EDUCATION / MUP '16 – University of Washington, BA '10 – Columbia College Chicago

YEARS PLANNING / 3 years

PAST WORK EXPERIENCE / Communications & Outreach for Housing Development Consortium of Seattle-King County, Community Organizer for Amnesty International USA

Karen Wolf, FAICP

EMPLOYER / King County, Senior Policy Analyst

PLANNING FOCUS / Regional and long-range planning; annexations

MOST INTERESTING PROJECT AS A PLANNER /
Reducing growth rates in the rural area to less than 2% of total county growth

EDUCATION / UW, MUP; UW, BA in Economics

YEARS PLANNING / 25+

WHY I PURSUED PLANNING AS A PROFESSION /
To shape and improve my surroundings.

PAST WORK EXPERIENCE / King County since 1989 – including service as the land use advisor to King County Executive Ron Sims for seven years.
