Short Topics

The call for CBE College Council nominations is closing. Christopher and Larissa will compile the nominations to prepare a ballot for vote.

Christopher informed faculty they will be voting electronically on Keith Harris's appointment as a teaching associate for Summer 2022, so he can continue to access his research funds through the summer.

Dan expressed interest in nominating Katherine Idziorek for affiliate assistant professor and asked to know the nomination deadline. Christopher told him to submit the nomination by tomorrow, June 1st.

Christopher noted the GRE requirement for graduate admission to the department was suspended during COVID. As the suspension is on a year-to-year basis, faculty must decide whether to reinstate the GRE as a requirement.

The MUP end-of-year celebration and awards ceremony is June 7th at 6pm. Christopher asked faculty to encourage students to RSVP by the deadline today, May 31st.

Faculty Merit Reviews [CLOSED MEETING]

Meeting adjourned at 1:25pm.
