

**COURSES MEETING THE MUP RESTRICTED ELECTIVES REQUIREMENTS**

**ADVANCED METHODS**

URBDP 522 Urban and Regional Geospatial Analysis (Win)  
 URBDP 524 Site Planning (Spr)  
 URBDP 566 Infrastructure Planning & Finance\* (Aut)  
 URBDP 573 Digital Design Practicum^ (Win)  
 URBDP 576 Pedestrian & Bicycle Travel, Land Use, & Urban Form (next offered Spr24)  
 URBDP 586 Implementation in Preservation Planning (Win)  
 URBDP 598/IPM 503 Infrastructure Finance\* (Sum) (Asynchronous online course; very limited space. Contact Karen Fishler <kfishler@uw.edu>for permission and add code)

\* Courses meeting the requirements for multiple restricted electives can only be applied to one.

^URBDP 573 Digital Design Practicum fulfills the restricted elective requirement only for students who took URBDP 503 Communication and Analysis as part of their MUP core requirements. Students who did not take URBDP 503 Communication and Analysis and instead took URBDP 573 Digital Design as part of their MUP core requirements will need to select another course from this list to fulfill their Advanced Methods Restricted Elective requirement.

Other courses, including courses in other units on campus, may be applicable. However, any class not on this list needs approval from the Dept Chair or MUP Program Director in order to fulfill the requirement.

**URBAN DEVELOPMENT / ECONOMICS**

URBDP 552 / RE 510 Intro to Real Estate (Aut, Win)  
 URBDP 561 Urban Economics and Public Policy (Spr)  
 URBDP 566 Infrastructure Planning & Finance\* (Aut)  
 PUBPOL 566 Community and Economic Development (Aut)  
 URBDP 598/IPM 503 Infrastructure Finance\* (Sum) (Asynchronous online course; very limited space. Contact Karen Fishler <kfishler@uw.edu>for permission and add code)

\* Courses meeting the requirements for multiple restricted electives can only be applied to one.

Other courses, including courses in other units on campus, may be applicable. However, any class not on this list needs approval from the Dept Chair or MUP Program Director in order to fulfill the requirement.

**URBAN PLANNING STUDIO**

URBDP 507 Urban Planning Studio (Spr)

▪ All MUP students are required to complete at least one Urban Planning Studio. 507 Urban Planning Studio is the expected studio course to fulfill this requirement. There are at least two sections of 507 Urban Planning studio offered each spring.

▪ MUP students in the Real Estate specialization may take the Real Estate studio in their second year of study instead of 507 Urban Planning Studio during their first year of study.

▪ Urban Design Specialization & Certificate students are required to take certain studios; please see Urban Design Specialization/Certificate curriculum website for details

**HISTORY / THEORY / ETHICS OF PLANNING\***

URBDP 564 Planning History, Theory, & Ethics (offered last time Aut 21)  
 URBDP 565 American Urban History (offered last time Spr23)  
 URBDP 592 Doctoral Seminar II (Advanced Planning Theory) (Win)

\*MUP students starting in 2022-2023 do not need to fulfill the History/Theory/Ethics requirement due to their taking the HEFT 1 and HEFT 2 sequence

Quarters in which courses are offered are included as a guide. However, because scheduling changes can occur, please refer to the quarterly Time Schedule for the most current information.
